

# St Saviour's Weekly Update

Friday 26th April 2024

Dear St Saviour's Families,

We were very excited this week to see the final version of the Daily Mile video! Please do have a look on the Daily website (<https://thedailymile.co.uk/>) and see some familiar faces!

Clubs started this week - there are still spaces in some so please contact Miss Rogers if your child would like to join one.

We are always updating the school website - there is now a calendar of key events happening in school.

## Dates for next term

*Dates will also be added to the 'Events' tab in the ParentMail app.*

2.5.24 9:00 Parent prayer meeting at St Saviour's church

6.5.24 Bank Holiday Monday

W/b 13.5.24 KS2 tests for Year 6

24.5.24 Last day of term - normal finish

## Thursday 2nd May

Next Thursday, part of the school is going to be used as a Polling Station. It will be open as usual for all classes, but some classes will have different arrangements for the start and end of the day. I will send separate messages with these details to the affected classes.

Please be aware that the start and end of the day are likely to be very busy and that the pavement will be more congested than usual!

## Teacher Angel

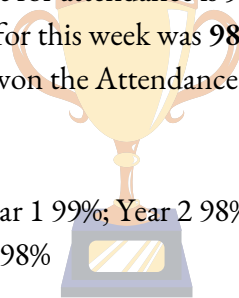

Miss Granite is this week's Teacher Angel. She is a very kind person who looks after us all of the time. She is great at sorting out any problems at lunch time and keeping us safe. She treats everyone fairly and equally and is a brilliant headteacher!

## Attendance

The national target for attendance is 96%. Our overall school attendance for this week was 98.5%.

This week Year 6 won the Attendance Cup again with 99.5% - brilliant!

Reception 98%; Year 1 99%; Year 2 98%; Year 3 96%; Year 4 99%; Year 5 98%

Please call in to the Office on each day that your child is sick.

The NHS has advice about when to keep your child off school:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

## Stars of the Week

Nursery - Ayla; Reception - Thomas; Year 1 - Barkon; Year 2 - Anastasia; Year 3 - Aaron; Year 4 - Gamaliel; Year 5 - Ebenezer; Year 6 - Leila

Keep being amazing!

## Buster

Indira gives 100% effort in all aspects of school life. She has amazed us with her progress in writing. She effectively used a range of sentence types in the correct tense this week. She always takes pride in the presentation of her work and completes all tasks to a high standard. It has been amazing to watch her confidence grow, and she is eager to share answers and ideas during class discussions. She is a kind friend who always makes good choices. She is an absolute delight to teach. Keep up the amazing work!

Our assembly theme for this term is Creation, and we talked about ways we can help to care for the Earth during Earth Day on Monday.

Have a lovely weekend,  
*Miss Granite*

# What Three Questions?

## Nursery

Can you name the parts of a plant?

What happened in the story Jasper's Beanstalk?

Can you show someone at home an object that floats?

## Reception
