

# St Saviour's Weekly Update

Friday 6th June 2025

Dear St Saviour's Families,

Welcome back to the final term of this academic year! It's a long and busy one, and hopefully the weather will play ball soon! I hope that you all had a lovely half term break - it's been great hearing about all the children's adventures!

You will remember that we have a new school uniform provider. You will be able to order uniform from them very soon - watch this space! In the meantime, we do have a lot of secondhand uniform available - please contact Miss Rogers if there is something you need.

Children with hair that is collar-length will need to tie it up.

## Buster

Cosy is taking Buster home this week because she always brings a smile to our faces. She starts each day with joy and enthusiasm no matter what happened the day before. She works hard to make sure her friends are well looked after and has been working very hard on using her words to express her emotions to her friends. She has been asking for challenges in maths and working hard on her reading. She is always ready to lend a helping hand and is happy for other people's success. You're a superstar Cosy!

## Dates for this term

*Dates are also on the school website.*

**19.6.25** Sports day - more details to follow

**8.7.25** Reports sent to parents

**10.7.25** Arts Open House - details to follow

**18.7.25** Summer Service - St Saviour's church @2pm. All welcome!

**21.7.25** Last day of term - 1:30pm finish

## Online Safety

Each week, I will send home a guide about an aspect of online safety. This week's guide is about the Ofcom media report and makes for interesting reading!

## Stars of the Week

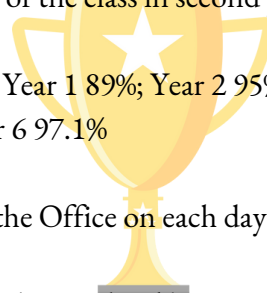

Nursery - Olivia; Reception - Harper;  
Year 1 - Eliyanah; Year 2 - Leila; Year 3 - Mimi;  
Year 4 - Elizabeth; Year 5 - Perdy; Year 6 - Ebenezer  
What a great way to start the term!

## Attendance

The national target for attendance is **96%**. Our overall school attendance for this week was **94.4%**.

Year 3 won the Attendance Cup this week, with 97.5% - only 0.4% ahead of the class in second place! A great start to the term!

Reception 93%; Year 1 89%; Year 2 95%; Year 4 93%;  
Year 5 96%; Year 6 97.1%

Please call in to the Office on each day that your child is sick.

Children need to be in school by 8:55a.m. If they arrive after this time, you will need to sign them in and they will be marked as late.

Please have a look at our Attendance Policy, which reflects the new DfE guidance and is on our school website.

This guidance from the NHS has more information about when children need to be kept home from school:  
<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

## Teacher Angel

Miss Cardell is Teacher Angel because she is very friendly and always has a huge smile on her face. She is nice, kind, caring, polite, funny and very complimentary of others. She has great relationships with the children, especially those in Year 1. We love having her in school as she is great!

I hope that you have a wonderful weekend.

Miss Granite

# What Three Questions?

## Nursery

We have been learning about the life cycle of humans. Can you remember the stages?

This week our caterpillars arrived. What will they turn into next?

We have been practising our numbers and shapes. Can you point out any you see at home or on walks?

## Reception

Maths: What are doubles (in relation to number)? Can you show doubles using your fingers?

Topic (Our Wonderful World): Can you label the parts of a plant?

Phonics: What can the suffix 's' do to a word (e.g. dog/dogs) and how does it change its meaning?

## Year 1

Science: What's the difference between a fruit and a vegetable?

English: What is a rhyming word?

Phonics: Can you revise all your phase 5 sounds?

## Year 2

English: What is the difference between fiction and non-fiction?

Maths: what is  $89-23=$ ? How can you check your work using the inverse law of maths?

Science: what is the difference between a habitat and microhabitat?

## Year 3

Science: What do you think made your team's plant grow well/badly?

Maths: Using your number facts, solve:  $56 \div 4$  and  $104 \div 8$ .

RE: Can you remember all 8 concepts from the Big Story of the Bible?

## Year 4

P.E: What 3 things are important when batting in cricket?

DT: Can you name 3 different lever systems?

PSHE: How can we make ourselves feel better when we are in the red zone?

## Year 5

History: How did Victorians move their boats through tunnels and what was the name for this?

R.E: What is a pilgrimage?

English: What can we predict?

## Year 6

Science: What is the function of the heart and what is its role in the circulatory system?

R.E: What are rules and why do we have them?

Maths: How are fractions with different denominators added and subtracted?
