Year 6 Class Newsletter Term 4 2023-24

Dear Year 6 Parents and Carers,

Here is Year 6's newsletter for this term. After a busy, exciting and exhausting week at Sayers Croft, the children still have many events to look forward to:

Monday 4th March: Battle of Britain trip to Cadogan Hall.

Thursday 7th March: trip to the London Transport Museum for the Junior Citizenship Scheme.

The details for both of these trips are on Parent Mail.

Key information:

-P.E. every **Monday**

-Dance on Friday

Homework:

-Mathletics, English Comprehension, Topic Question; Termly Project

Email:

ahrsto@stsavioursprimary.co.uk

Subject	What the children will be learning
English Grimm Tales for Young and Old & Romeo and Juliet	<ul style="list-style-type: none"> they will analyse the language, characterisation and common story structure across many of the tales. Using the story of Cinderella, they will make comparisons between many versions of the same story and analyse the extent to which these stories can be classified as 'fairy tales'. Children will eventually work towards creating their own Grimm tale, planning for a balance of dialogue and narrative and using devices to advance the action quickly. There will be an opportunity for children to create books of their own writing They will write up official police reports, using the passive voice to create a formal tone. Children will go on to develop their grasp of legal vocabulary, contrasting conjunctions, formal sentence openers and the subjunctive tone through letters and diary entries.
Maths Place value Addition	<ul style="list-style-type: none"> Solving addition and subtraction problems involving money and decimals Data representation and manipulation, including line graphs, pie charts, and the use of calculation of averages. Position on a 4-quadrant coordinate grid, with polygons being plotted, translated and reflected. Use of the written algorithms in multiplying and dividing large numbers; both long and short versions of these methods are taught.
Science How is electricity used in circuits?	<ul style="list-style-type: none"> Describe the parts of an electric circuit Exploring voltage and its effect on an electrical circuit Applying knowledge to identify and correct problems in an electrical circuit Investigating what affects the output of a circuit Building a set of traffic lights

St Saviour's CE Primary School

	<ul style="list-style-type: none"> Applying knowledge of conductors and insulators
