1. Aims

This policy aims to ensure:

- That children access a broad and balanced curriculum that gives them the broad range of knowledge and skills needed for good progress through school and life
- Quality and consistency in teaching and learning so that every child makes good progress and no child gets left behind
- A close working partnership between staff and parents and/or carers
- Every child is included and supported through equality of opportunity and anti-discriminatory practice

2. Legislation

This policy is based on requirements set out in the statutory framework for the Early Years Foundation Stage (EYFS) that applies from September 2021.

3. Structure of the EYFS

At St Saviour's, we have a Nursery which admits pupils in September after their third birthday. There are 30 places available. We accept the government's 30 free hours based on need. There is a charge for afternoons for families who do not qualify for the free hours. This is £30 per afternoon.

Nursery is led by a teacher, supported by a Nursery Nurse and a Teaching Assistant.

We also have a Reception class. A Nursery place does not guarantee a place in Reception. Details about how to apply for a place in Reception can be found on the school website.

Reception class has 30 places. It is led by a teacher and a Teaching Assistant.

4. Curriculum

Our early years setting follows the curriculum as outlined in the latest EYFS statutory framework.

The EYFS framework includes 7 areas of learning and development that are equally important and interconnected. However, 3 areas, known as the prime areas, are seen as particularly important for igniting curiosity and enthusiasm for learning, and for building children's capacity to learn, form relationships and thrive.

The prime areas are:

- Communication and language
- Physical development
- Personal, social and emotional development

The prime areas are strengthened and applied through 4 specific areas:

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

4.1 Planning

Staff plan activities and experiences for children that enable children to develop and learn effectively. In order to do this, staff working with the youngest children are expected to focus strongly on the 3 prime areas.

Staff also take into account the individual needs, interests and stage of development of each child in their care, and use this information to plan a challenging and enjoyable experience. Where a child may have a special educational need or disability, staff consider whether specialist support is required, linking with relevant services from other agencies, where appropriate.

In planning and guiding children's activities, staff reflect on the different ways that children learn and include these in their practice.

4.2 Teaching

Each area of learning and development is implemented through planned, purposeful play, and through a mix of adult-led and child-initiated activities. Staff respond to each child's emerging needs and interests, guiding their development through warm, positive interaction.

As children grow older, and as their development allows, the balance gradually shifts towards more adult-led activities to help children prepare for more formal learning, ready for Year 1.

In planning and guiding children's activities, practitioners reflect on the different ways that children learn and include these in their practice.

5. Assessment

At St Saviour's CE Primary School, ongoing assessment is an integral part of the learning and development processes. Staff observe pupils to identify their level of achievement, interests and learning styles. These observations are used to shape future planning. Staff also take into account observations shared by parents and/or carers. We use Tapestry to record and share observations.

Within the first 6 weeks that a child **starts Reception**, staff will administer the Reception Baseline Assessment (RBA).

At the **end of the EYFS**, staff complete the EYFS Profile for each child. Pupils are assessed against the 17 early learning goals, indicating whether they are:

- Meeting expected levels of development
- Not yet reaching expected levels ('emerging')

The profile reflects ongoing observations, and discussions with parents and/or carers. The results of the profile are shared with parents and/or carers for their child.

The profile is moderated internally (referring to the Development Matters [guidance](#)) and in partnership with other local schools, to ensure consistent assessment judgements. EYFS profile data is submitted to the local authority.

6. Working with parents

We recognise that children learn and develop well when there is a strong partnership between staff and parents and/or carers.

Parents and/or carers are kept up to date with their child's progress and development. The EYFS profile helps to provide parents and/or carers with a well-rounded picture of their child's knowledge, understanding and abilities at the end of Reception.

Each child is assigned a key person who helps to ensure that their learning and care is tailored to meet their needs. The key person, alongside the class teacher, supports parents and/or carers in guiding their child's development at home. The key person, alongside the class teacher, also helps families to engage with more specialist support, if appropriate.

7. Safeguarding and welfare procedures

We recognise that children learn best when they are healthy safe and secure, when their individual needs are met and when they have positive relationships with the adults caring for them. We follow safeguarding and welfare requirements to provide a welcoming, safe and stimulating environment where children are able to enjoy learning and grow in confidence.

We make sure that the appropriate statutory staff:child ratios are maintained in our setting to meet the needs of all children and ensure their safety:

- For children aged 3 and over:
 - Where there is a person with Qualified Teacher Status, Early Years Professional Status, Early Years Teacher Status or another approved level 6 qualification, an instructor or another suitably-qualified overseas trained teacher:
 - For classes where the majority of children will reach the age of 5 or older within the school year, we have at least 1 member of staff for every 30 children
 - For all other classes, we have at least 1 member of staff for every 13 children
 - Where a person with the above qualifications is not working directly with the children, we have at least 1 member of staff for every 8 children

We have at least 1 person with a current paediatric first aid (PFA) certificate on the premises and available at all times when children are present, including on outings. This PFA certificate is renewed every 3 years as required.

We promote good oral health, as well as good health in general, in the early years by:

- The effects of eating too many sweet things
- The importance of brushing your teeth
- A visit from a dental health professional.

The rest of our safeguarding and welfare procedures are outlined in our safeguarding policy.

8. Monitoring arrangements

This policy will be reviewed and approved by the Headteacher every two years.

At every review, the policy will be shared with the governing body.

Appendix 1. List of statutory policies and procedures for the EYFS

Statutory policy or procedure for the EYFS	Where can it be found?
Safeguarding policy and procedures	See St Saviour's child protection and safeguarding policy
Procedure for responding to illness	See health and safety policy
Administering medicines policy	See supporting pupils with medical conditions policy
Emergency evacuation procedure	See health and safety policy

Statutory policy or procedure for the EYFS	Where can it be found?
Procedure for checking the identity of visitors	See St Saviour's child protection and safeguarding policy
Procedures for a parent failing to collect a child and for missing children	See St Saviour's child protection and safeguarding policy
Procedure for dealing with concerns and complaints	See complaints policy
