

## St. Saviour's CE Primary School PE and Sport Funding Report

### Our Vision

We were delighted to hear the Government was to provide additional funds to ensure access to high quality PE for all children at St. Saviour's School.

### What is the P.E. and Sport Funding?

The P.E. and Sport funding is an amount of money allocated to schools, over and above the normal school budget to improve physical education and sport. Headteachers, with the oversight of Governing Bodies, are responsible for spending this funding with the sole purpose of promoting PE and Sport. The Governors agree that the money must be used so that:

- All children benefit regardless of sporting ability
- That the most able children are given the opportunity to compete in advanced tournaments
- That the staff have access to training opportunities and continued professional development

Since September 2013, OFSTED inspection teams have reported on P.E. and Sport provision, including how schools spend their funding. Additionally, since April 2014, schools have been required to publish, on their websites, details of how they spend these extra funds. Schools must also include information about the impact of this funding has had on pupils' participation in P.E. and Sport as well as their attainment.

### How the Additional PE and Sport Funding is calculated

The amount of additional money allocated to St. Saviour's Schools is £8000 + £5 top-up per pupil (to be confirmed). Therefore, this equals £8900 in total for 2016-2017.

At St. Saviour's, we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have a number of existing after school clubs that offer a variety of sporting opportunities. We enter numerous inter-school sport competitions to allow children to be competitive and are constantly seeking to develop our PE and Sport programme.

### St. Saviour's P.E. and Sport Funding IMPACT of Spend for 2015-16

From the allocated 2015-16 budget of £8900, the school used the money in the following ways:

What we did	Impact
Funding a specialist Sports Coach for 2 days per week.	<p>Every child in school received at least 1 hour of quality PE a week with additional provision provided by class teachers or through Swimming (Year 4), Cycle Training (Year 5) and Horse Riding (Year 6).</p> <p>Increase the skills level of staff in the delivery of quality P.E. teaching with the qualified sports coach working alongside staff to deliver lessons and support planning. All TAs work alongside the Sports Coach to develop their own skills and support the children.</p> <p>Continued to embed the new curriculum guidance. 100% state that they are safe and happy in school</p>

	In our latest children's questionnaires, 100% stated that they are safe and happy in school.
Pay for 1 hour administrative support per week to assist engagement in outside school activities.	This staff member was able to organise letters and kit for competitions across school. This will continue in 2016-17.
Buy exciting and stimulating PE resources to facilitate the teaching of PE	Allowed for more sports to be taught for example athletic field events, basketball, hockey and tri-golf.  Some equipment was used at playtimes which allowed us to further develop provision at playtimes and lunchtimes whilst continuing to make sure the environment was safe.
Increase the participation of sport and PE by offering free after school sports coaching for FSM/Ever 6 children.	Popularity of clubs increased. 84 children participated in sports clubs over the year (41%) from Year 1 upwards in All Sports, Football Training, Football Squad and Girl Friday.  Parents were supportive that their child could take part in these clubs. Parents apply for their child to have a space in these clubs very quickly and most are oversubscribed, so we have to create a waiting list. The children are very pleased when they find out their place allocation for clubs.
Provide opportunities for children to compete	We actively took part in many competitions and tournaments organised by WCC and those run both other bodies and organisations such as QPR Football Club.  The children took part in the following competitions organised by WCC: Cross County (Years 3 – 6), SportsHall Athletics (Years 3 – 6), Boys and Girls Football (Years 5 – 6), Mini Basketball (Years 4 -6), Mini Tennis (Year 4), Girls Kwik Cricket (Years 5 – 6), Multi Skills (Years 1 and 2, next year we will add Year 3 and 4).  We also attended two events organised by QPR: Kids Cup event for Year 6 Boys in November 2015 and a 3M Challenge Cup 5 a-side Football Tournament for Years 3 – 6 in the Summer term 2016.  Children from across KS2 were selected to be part of the events, raising their confidence in their abilities for different sports. Approximately 50% of children from KS2 will have taken part in a sports competition.
Signpost children to outside clubs and coaches who provide quality sport especially those in receipt of PP and Ever Six.	During 2015-16, 2 children were signposted to a Running club and a group of 4 children were selected for G&T coaching led by Westminster Sports Unit.
Continue the practise of offering weekly swimming lessons to Year Four, Cycle Training for Year Five and horse riding lessons for Year Six.	This continued from 2014-15. Swimming: 1 child did not take part due to medical reasons. 27/29 achieved their end of year target. 5 children exceeded expectations. The school paid for the Insurance of 9 out of 25 children in Year 6 for their Horse Riding lessons (36%, £180). We used some funds to buy spare kits and 'cheap' bikes from websites such as Gumtree for PP children to take part.  Children in these classes had access to sports they may not otherwise experience to broaden their PE skills.

## How we will use the PE and Sport Funding in our school (2016-17):

Area of Expenditure	Aims	Intended Outcomes	Evidence we'd like to gather
Employing a specialist Sports Coach for 3 days a week to teacher pupils and mentor staff	<p>Positive relationship with Dan and Tim. Dan worked alongside Tim in 2015-16 and has now taken over the teaching of PE across the school. Dan has been 'growing' into his role to replace Tim via volunteering through a church contact. Plan and teach every class from Nursery – Year 6. Years 1 – 6 receive 2 sessions a week.</p> <p>Introducing 'The Daily Mile' which aims to encourage the less able children to engage in running, jogging or walking a mile every day. Sponsorship for this has been granted from the Sports Innovation Fund and The Great Run Company.</p> <p>Apply for the Schools' Games Award in conjunction with WCC during 2016/2017.</p>	Increased pupil participation in sport and physical activity.	<p>Children questionnaire responses to PE are highly positive.</p> <p>Daily Mile is successful and uptake remains high throughout the year. Children are acknowledged for their efforts through the sponsors we have gained for the Daily Mile.</p> <p>Achieve Schools Games Award (at least Bronze level).</p> <p>Results from Children's Questionnaires.</p>
Carrying out a PE Health Check to highlight development areas (in partnership with WCC Sports Unit).	<p>Delivering P.E. focused staff training through staff meetings and INSET days.</p> <p>Investigate and explore good practice from other schools.</p> <p>Seek to bring additional outside coaches to introduce and or develop sports not currently taught in school (e.g. cricket, tag rugby, golf, tennis, etc)</p> <p>To fully utilise the resources we have in school (i.e. gymnastic bars, horses, mats).</p>	Offering the children a more rounded programme of high quality PE lessons with more gymnastics and dance.	<p>All classes are regularly taught Gymnastics and Dance over the year.</p> <p>Specialist Sports coach explores good practice across the WSU network.</p> <p>Children using equipment here in school.</p>
Liaising with WCC Sports Unit to further enhance our PE provision in school.	<p>Develop closer links with outside sporting agencies and clubs (e.g. Queen's Park Rangers Football Club</p> <p>Enter teams into a wide range of school sport competitions organised by WCC Sports Unit and others.</p> <p>To create inter-school competitions to provide further competitive opportunities (including those for</p>	<p>Improving resources and competitive opportunities through intra and inter school competitions.</p> <p>To signpost children to attend sports</p>	<p>More events organised with outside sports clubs.</p> <p>Successful outcomes from WCC Sports Unit competitions and events.</p> <p>Intra-school competitions take place.</p> <p>Sports Day is fun and accessible for all.</p>

	<p>children who are not in the G&amp;T strand).</p> <p>To encourage all TAs from different classes to attend and support sports competitions.</p> <p>Deliver an exciting and memorable annual sports day.</p>	clubs outside of school.	<p>Funds will be used to allow Dan time out of school to attend courses and make up his teaching time back at school.</p> <p>All TAs have had the opportunity to attend sports competitions over the year.</p>
To provide additional provision for PE to all groups of children.	<p>Provide additional training and coaching for G&amp;T children in KS1 and KS2 to develop their skills to represent the school in competitive competitions.</p> <p>To explore the options for signposting such children to outside sporting opportunities to further their skills and, if necessary, paying for associated fees.</p> <p>Provision of three sport based after school clubs which cater for KS1 and KS2 children. Attendance for children receiving Pupil Premium is free.</p> <p>Provide additional support for children with physical or other SEND challenges which prevent them to some degree of accessing the PE curriculum.</p>	To provide more after school clubs or activity sessions with a sport focus both in and out of school. In addition, target those with additional needs.	<p>Participation in the G&amp;T and SEN groups increases engagement and skills in PE.</p> <p>A higher number of children are part of clubs outside of school.</p> <p>Children with PP are able to attend a sport based after school club with no charge.</p>

### **Local Authority Arranged Competitions The School Is Involved In:**

October 2016	Year 3-6 Cross Country (WSU) QPR Football Tournament (KS1 mixed)
November 2016	QPR Football Tournament (Year Five mixed)
December 2016	Year Six Handball (Lion Sports)
January 2017	Sports Hall Athletics (WSU KS2) Boys' Football (Years 5 & 6)
February 2017	Girls' Football (Years 5 & 6) Swimming Gala (Years 4, 5 & 6)
April 2017	Tri-Golf (Years 5 & 6) Year Four Mini Tennis
May 2017	Football Participation Day (Years 3 & 4) Girls' Kwik Cricket (Years 5 & 6) Boys' Kwik Cricket (Years 5 & 6)
June 2017	Quad Kids Athletics
June/July 2017	Years 1-4 Multi-Skills Days
June 2017	Girls' Sports Festival

In addition, the school will organise:

Dedicated dance lessons with a West End choreographer with every class every term and during Expressive Arts Week (£900 + £300 = £1200)  
Support from Westminster Sports Unit (£1000)
