

St Saviour's Weekly Update

Thursday 28th March 2024

Dear St Saviour's Families,

We had a film crew in school yesterday which was very exciting! They were filming for the Daily Mile, who have launched a new award: the Children Fit For Life award. We are one of the first schools in the country to have been awarded it and we are delighted! We will share the finished film with you once it has been edited. Watch this space!

Dates for next term

Dates will also be added to the 'Events' tab in the ParentMail app.

- 15.4.24 INSET day - school closed to children
- 16.4.24 First day of term
- 17.4.24 Living Museum in the hall at 8:45 a.m
- 6.5.24 Bank Holiday Monday

Holiday Club

Don't forget that JAG are running a Holiday Club at school during the Easter holidays - book here:
<https://www.junioradventuresgroup.co.uk/make-a-booking/>

A HUGE thank you!

To everyone who contributed to the auction, whether that was by donating a lot, coming along on the night, buying online or in person or helping to put together what was an INCREDIBLE evening. Your time, effort, generosity and enthusiasm are so valued and we are so grateful for your support. Special thanks go to the PTA who worked magic in making the vision become reality. You are amazing! We are finishing off the number crunching and will let you know how much we raised as soon as possible.

Stars of the Week

Nursery - Cora; **Reception** - Qlarna; **Year 1** - the whole class; **Year 2** - Alana; **Year 3** - Eve; **Year 4** - Ayla; **Year 5** - Poppy; **Year 6** - Karim

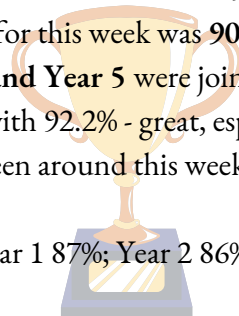

What a great way to end the term!

Attendance

The national **target** for attendance is **96%**. Our overall school attendance for this week was **90.6%**.

This week **Year 4 and Year 5** were joint winners of the Attendance Cup with 92.2% - great, especially with all the sickness that has been around this week!

Reception 83%; Year 1 87%; Year 2 86%; Year 3 91%; Year 6 91%

Please call in to the Office on each day that your child is sick.

The NHS has advice about when to keep your child off school:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Teacher Angel

Miss Hrsto is this week's Teacher Angel because she is kind, considerate and she has a really big heart. She is a great support and helps children understand difficult topics, especially in Geography. She is a great teacher and helps children achieve to the best of their ability - particularly in preparation for the SATs tests in Year 6. Thank you!

Buster

Lacey is taking Buster home this week - she is truly one of a kind! She is incredibly thoughtful, caring and full of joy. Her lovely nature instantly puts a smile on everyone's face. She's always looking out for others and making sure that they are looked after. She is such an asset to the school community, and she makes teaching her fun!

Thank you to everyone who came to our Easter service yesterday - the children led it beautifully and the musical performances were fantastic. I hope that you all have a restful and joyful Easter, and enjoy the break. See you in April!

Thank you as always for your support.

Miss Granite

What Three Questions?

Nursery

Can you explain what we planted in the garden this week?

Can you name one thing you know about the Easter Story?

Can you sing the song 'Hot Cross Buns' with someone at home?

Reception

English: what message could you write to Izzy to help her feel better about her inventions not working?

Maths: How can we organise a large quantity (+20) of objects in a way that we can see and count them accurately?

Topic (Community People): What are the different levels of education that a teacher can choose to train and teach in? E.g. Primary

Year 1

Science: What are the characteristics of your favourite animal?

RE: What happened in the Easter Story?

PSHE: What does kindness look like?

Year 2

English: Can you create an 'if all the world were' sentence with a family member?

Maths: What analogue clock times can you make using your arms? Can a family member guess your time correctly?

Geography: Can you make a poster about one of the continents?

Year 3

RE: What have Judas and Peter taught you?

Science: At what point of the day are the shadows at their shortest? why?

DT: What skills have you developed from DT this term?

Year 4

Science: What is evaporation and what causes it?

History: Were the Vikings raiders or settlers? Can you explain why?

P.E: In what ways does running benefit us?

Year 5

Science: What interesting facts have you learnt about Jane Goodall and David Attenborough?

R.E: How does the resurrection narrative offer hope to Christians and others regardless of faith position?

English: What did you like and dislike about the Beowulf legend?

Year 6

English: What is the subjunctive mood?

Science: What affects the output of a circuit?

Maths: Using long division (and writing the remainder as a fraction), what is 22 divided by 2321?
