

St Saviour's Weekly Update

Friday 11th October 2024

Dear St Saviour's Families,

It has been another busy week at school! We were particularly proud of our team of Year 6 pupils (Soren, Ayaan, Georgina, Stefanos, Julius and Ethan) who competed in the Westminster Chess Tournament on Tuesday. They came back with medals of all colours and had a successful tournament despite some very tough opponents!

I also wanted to say a big well done to the 24 children from KS2 who represented the school in the Westminster cross country competition last week - you were fantastic!

Teacher Angel

We have 2 teacher Angels this week!

Mrs Pearman is really kind, caring and friendly. She likes helping us with our learning by making lessons fun. It's really cool that she teaches us Spanish each week and love learning new Spanish words.

Mr Higgins is always working hard, especially in the playground keeping us safe. He politely welcomes us every morning as we come in to school, and is great at fixing things, like playground equipment, tables and chairs. He makes sure that we have the right resources in the correct place.

Buster

Sebastian is taking Buster home because he is an incredible person who always follows the school rules and makes positive contributions in class. He always offers to help the adults in Year 5 and sets a great example for everyone. He is such a bright light in class and around school, and we are so proud of you. Thank you for being brilliant!

Harvest

Our Harvest appeal this year will be in aid of The Passage and I will send more details next week. We will be having a thanksgiving service at St Saviour's Church on Thursday 24th October at 2:30pm, where some of the children will be sharing readings and prayers. It would be great to see you there!
