

St Saviour's Weekly Update

Friday 28th March 2025

Dear St Saviour's Families,

It's been another busy week: Year 5 have been doing their Bikeability training, Year 6 had a workshop with Paul Canoville, and Year 3 and Year 4 have been busy preparing for their performance of Three Trees next week!

Clubs

Next term's clubs are now available to book via Arbor. Please get in touch with Miss Rogers if you have any questions or issues with booking.

Food

A reminder that children can only bring in fresh fruit or vegetables for their break time snack. We are also a **nut-free school** as there a number of children with nut allergies.

Teacher Angel

This week's Teacher Angel is Marc! He is always very optimistic, kind, caring and loving. In lessons, he always recaps on learning and has a lot of good moves. He keeps a strong positive attitude flowing through the room. He's a brilliant dancer and we love working with him each week to develop our dance skills. Thank you Marc!

Online Safety

Each week, I will send home a guide about an aspect of online safety. This week's guide is about Bluesky.

Thank you to all of you who are mums and who mother others. Yours is the most important job in the world and we are so grateful for the love and dedication you show your children and our school community. You are incredible.

I'd also like to wish all our families who will be celebrating a joyful Eid Mubarak!

Enjoy the weekend,
Miss Granite
