

St Saviour's Weekly Update

Friday 10th October 2025

Dear St Saviour's Families,

We've had a great week this week - the children have started their Black History Month projects and are also enjoying listening to Jimi Hendrix, who is our Musician of the Month (Home Information guide attached).

They should have brought home a sheet with information about how to order their school photo - please contact Miss Rogers if this has gone astray!

Teacher Angel

The children chose Miss Hrsto as Teacher Angel this week, because she is kind, caring and always listens to them. She is a very good teacher and is always very positive. She's great at organising events like the cake sale! We are really glad that she is part of our school.

Online Safety

This week's guide is not specifically about online safety, but I thought it would be helpful. It is about supporting your child to deal with traumatic and challenging events.

Please call in to the Office on each day that your child is sick.

Children need to be in school by 8:55a.m. If they arrive after this time, you will need to sign them in and they will be marked as late.

Please have a look at our Attendance Policy, which reflects the DfE guidance and is on our school website.

This guidance from the NHS has more information about when children need to be kept home from school:

Our Harvest appeal this year will be in aid of The Passage and children can bring in money to try and fill the 'Donation Station', which will be in the hall for them to add their money to each morning.

We will be having a thanksgiving service at St Saviour's Church on Wednesday 22nd October at 9:00am, where some of the children will be sharing readings and prayers. It would be great to see you there! Children should be dropped off **AT CHURCH** on this day.

Have a wonderful weekend!
