

St Saviour's Weekly Update

Friday 21st November 2025

Dear St Saviour's Families,

Winter has well and truly arrived this week! We've started putting up the Christmas decorations and rehearsals for the EYFS Carol Concert and KS1 Nativity are well underway. If you have a child in any of those classes, please make sure you have reserved your ticket for the performance via Arbor!

We have bought 2 class sets of 30 Chromebooks for the children to use in computing lessons and across the curriculum. We were able to do this because we have paid off our previous deficit a whole year earlier than planned! This took a lot of hard work and I am incredibly grateful to everyone in school for their effort and support.

Teacher Angel

Miss Kent is loving and caring and always looks after us. If someone gets hurt, she is quick to help you and make you better. She likes to help all of the children, especially those in Year 2! She is the best at football and we are so happy to have her in our school!

Online Safety

This week's guide is about Pokémon TCG Pocket.

Dates for this term

Dates are also on the school website.

- 1.12.25 5:30pm Christmas light switch on @Warwick Avenue station
- 5.12.25 Groove and Grotto 5:30pm - 8:00pm. Buy your tickets and preorder tokens on Arbor!

Stars of the Week

Nursery - Reign; **Reception** - Ruth; **Year 1** - Philip;
Year 2 - Robin; **Year 3** - Aiden; **Year 4** - Mimi;
Year 5 - Amir; **Year 6** - Sebastian

Well done on a superb week!

Attendance

The national target for attendance is **96%**. Our overall school attendance for this week was **97%**.

This week, Year 5 won the Attendance Cup again with 99.1%! They tied with Year 3 but won because they had fewer lates.

Reception 96%; Year 1 93%; Year 2 98%; Year 3 99.1%;
Year 4 98%; Year 6 96%

Please call in to the Office on each day that your child is sick.

Children need to be in school by 8:55a.m. If they arrive after this time, you will need to sign them in and they will be marked as late.

Our Attendance Policy is on our school website.

This guidance from the NHS has more information about when children need to be kept home from school:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If there is something about school that you are not sure about, please do have a look at the school website. All of our policies are there, as well as detailed information about what the children learn and when, and the Parent Information booklet. There is also a calendar which has the dates for key events throughout the school year (including ones that aren't yet included in the newsletter!)

If you can't find the answer to your question, please email me!

Miss Granite

What Three Questions?

Nursery

Literacy: Can you find examples of writing/text around London? e.g. road signs, tube adverts

RE: Can you practise singing our songs for the Christmas Performance?

Maths: Can you look at the 'Goldilocks and the Three Bears' story and talk about what size bowl/chair/bed each bear owns and why?

Reception

Maths: What is a part of you? What is the whole?

Phonics: What new phase 3 sounds have we looked at this week?

PSHE: What does good turn taking / sharing look like?

Year 1

Maths: Can you use our position key words (like 'under', 'next to', 'behind') to describe where something is?

English: What is a sequel?

RE: Why do you think God told the shepherds about Jesus' birth first?

Year 2

Science: What are the 5 major food groups?

English: Can you convert the following words to past tense: Swim, think, is, go?

Maths: What is the difference between being over something and being on something? What other positional vocabulary can you use to describe somethings location?

Year 3

Geography: What are the Northern Hemisphere and Southern Hemisphere?

English: What is a fronted adverbial and can you use one in a sentence?

Maths: I have £3.24 and spend £1.10 on apples. How much money do I have left?

Year 4

English: What is a subordinate clause?

Geography: How are we connected to the rainforest?

RE: What is peace to you?

Year 5

PSHE: What are the benefits and challenges of AI?

English: What is iambic pentameter?

Maths: What is 4,800 divided by 6? Work it out mentally and explain how you know.

Year 6

Maths: How is the area of a parallelogram calculated?

Geography: What are the physical characteristics of the U.K?

Science: What happens when fuels are burned?
