

# St Saviour's Weekly Update

Friday 13th March 2026

Dear St Saviour's Families,

The next two weeks are looking very busy so please do have a look at the dates below, as well as Arbor for anything relating specifically to your child's class!

## Work Showcase 26<sup>th</sup> March 9:00am - 9:20am

If your child is in Year 1 to Year 6, we are inviting you into school on 26<sup>th</sup> March at 9am to have a look at your child's English work. You will go to their classroom and they will show you some of the English work that they are most proud of! We are planning to host a work showcase each term, with a different subject focus each time. This is the first time we have done something like this so any feedback will be welcome! Early Years have their Stay and Play sessions in place of the work showcase.

## Buster

Moreev is exceptionally kind and always shows care for those around her, as well as demonstrating excellent behaviour. She puts great effort into everything she does and never gives up. She is the epitome of resilience, always putting her hand up in lessons, contributing thoughtfully and showing amazing growth in confidence this year. She is also incredibly helpful to her teachers in Year 5, often offering to take on jobs without being asked. She is thriving in these roles and shows remarkable responsibility. Well done Moreev!
