## If you could change one thing about St. Saviour's...

Interiors could be updated
Maybe more sport
We would appreciate clear and timely communication regarding after school clubs and any changes to the schedules
The website could be updated more regularly
Cycle parking and less car traffic = less congestion at drop off
The drop off - allow children to wait with their parents on the playground rather than on the street
That there is a secondary school for St. Saviour's
To make the building bigger and include a secondary school
Friday after school care
More PE and Sport
More PE and Sport
More notice for events and activities
Improve facilities if funds are available
Larger play areas
Get dates correct in Chit Chat
Having to take my child to and from the venue for trips, the school should provide a coach/bus
More team games sport
More team sports
Bigger outside area to play and more time to eat lunch
Larger play areas
Communication can sometimes be quite late in the day, although this sometimes cannot be helped
Earlier notice of events so time off work can be booked
Less sugar ie. Biscuits in WAC
Less school cancellations (Cleaning Day and Snow Day)
Appreciation of two working parents in relation to cancelling events
Communication much earlier about key events this would allow working parents to organise
More understanding towards working parents
Better communication with parents
Date changes - this can't be helped sometimes
More focus on academic subjects particularly Maths and English
Communicate via text message as the internet doesn't always work with important reminder information
More structured learning for example 1:1 in Nursery, or more ways to get started with learning ideas at home
Dates and plans changing
More teaching assistants to help each table
For teachers and the Headteacher to listen to parents demands and remarks.
