Any applicant who is successful under Criterion 7 will be expected to provide formal proof of residency at the time of application.

An application for a child with a Statement of Educational Needs, or an Educational, Health and Care Plan (EHC Plan) which names the school will be considered provided the school can meet the needs of said child. This may well have an impact on the number of children who can be admitted through the School's Admission Criteria. If a child has exceptional social, medical, pastoral or other need, compelling evidence from an appropriate professional would need to be provided.

In the case of casual admittance, if a place becomes available in the school, the Admissions Committee will review children waiting for a place in accordance with the above Criteria. If there are no children waiting, places will be allocated on a first come, first served basis.
