Notes

"Frequent and regular worship" signifies 40 Sundays per year and for at least one year.

In the event of oversubscription, places will be allocated in the order of the published criteria.

Any applicant who is successful under Criterion 8 will be expected to provide formal proof of residency at the time of application.

An application for a child with a Statement of Educational Needs, or an Educational, Health and Care Plan (EHC Plan) which names the school will be considered provided the school can meet the needs of said child. This may well have an impact on the number of children who can be admitted through the School's Admission Criteria.

If a child has exceptional social, medical, pastoral or other need, compelling evidence from an appropriate professional would need to be provided.

In the case of casual admittance, if a place becomes available in the school, the Admissions Committee will review children waiting for a place in accordance with the above Criteria. If there are no children waiting, places will be allocated on a first come, first served basis.

Parents are entitled to defer entry to school for their child until statutory school age (i.e. the first day of term after the child's 5th birthday). Application is made in the usual way and then the deferment is requested. The place will then be held until the first day of the Spring or Summer term. Entry may not be deferred beyond statutory school age or beyond the year of application. Parents of children whose birthday is in the summer term should be aware that, if they wish to defer until statutory school age, they would need to apply for a Year One place for September 2021 and places are unlikely to be available.
