

Dear St Saviour's Families,

As we reach the end of another busy and joyful school year, the St Saviour's PTA would like to express our heartfelt thanks to each and every one of you.

Your generosity has made an incredible difference to our school community. Whether you attended events, helped behind the scenes, or donated, you played an essential role in our shared success.

We're delighted to share that, together, we raised over **£50,000** this year!!! This remarkable achievement reflects the strength, generosity, and spirit of our school community – thank you.

We are especially proud to announce that the funds raised this year will contribute to the expense of a major school-led initiative: the refurbishment of all classrooms across the school. This exciting project will create bright, modern, and inspiring learning environments for all our children.

In addition, your contributions will continue to fund a wide range of extra-curricular opportunities, including school trips, workshops, music and arts programmes, and other enrichment activities that help bring learning to life and foster creativity and curiosity.

Looking ahead, we invite all families to support the school through the **St Saviour's Enrichment Fund**. Money donated through this mechanism goes even further as the school is able to claim gift aid and so gets 25% more than you give! This fund is designed to be inclusive and flexible, enabling every family to contribute in whatever way suits them—without any extra time or effort.

We especially encourage setting up a monthly direct debit, even for small amounts. Regular giving helps the school plan for the future, enabling bigger, longer-term projects that benefit every child.

On behalf of the PTA, thank you once again for your incredible support this year. We wish you and your children a happy, restful summer, and we look forward to another vibrant year ahead.

With gratitude and warmest wishes,  
**the PTA**

**THANK YOU!**
