

Newsletter 15 (2020-21)

February 5th, 2021

Dear Parents,

It was wonderful to see so many children at this morning's assembly. These will take place every Friday at 11:00 a.m. (EYFS and KS1) and 11:30 a.m. (KS2).

You are doing an amazing job with our children – thank you. It cannot be easy to manage a completely different day than you are used to but it is the same for everyone at the moment. Today's assembly was about Heroes and you are certainly mine during the crisis.

The move to Google Classroom has thrown up a number of issues but we feel these have been ironed out now. Please let me know if you are still experiencing problems so they can be dealt with.

Thank you for ensuring the scene settings show your child's name as we appear to have been hacked for the Monday service. We have now set up stricter security for these important meetings so let's hope that was a one off!

The PTA 100 Club is Up and Running!

From the launch of the new 100 Club on Monday, 22 tickets have been sold!

Your PTA warmly invite you to join our 100 Club to raise money for school AND be in with a chance to win cash prizes each month. For £60 you can buy a number which will be entered into a monthly draw, which will run from February to July 2021.

Each month 2 numbers will be selected at random with the 1st prize winning 25% of the monthly 'pot' and 2nd prize winning 15%. The remaining 60% will go towards the PTA fund to ensure we have fantastic music, PE, art and dance teachers.

The more people that join the bigger the prize pot can be. If 100 numbers are sold, 1st prize will be £250. You've got to be in it, to win it! You have until Feb 12th to join, with the 1st draw happening on Tuesday 23rd February. Attached are the rules, please read these and if you would like to join the 100 Club please buy your number (or numbers) through the ParentMail shop.

Friday Try-Day – Sausage Rolls

Today's Try-Day consisted of home-made Delia Smith sausage rolls. These were well received and I promised Henry Lewis I would send home the recipe. I have attached this as well one for last week's Olive Bread.

You do not need to make the pastry for the sausage rolls yourself (although, of course, you can!) as I used shop bought which is perfectly fine!

Ideas for Some Fun Maths

I have also attached some ideas for some easy to organise Maths activities which you may be interested in.

I hope you have a restful weekend and keep safe,

With love and best wishes,
Ms. Woodford xxx
