

Newsletter 3 (2020-21)

September 18th, 2020

Dear Parents,

The Systems Are Working!

We are beginning to feel like the systems we have put into place to keep everyone safe are working really well! Thank you for helping us to make sure they do!

It has been lovely to see the children back with their smiling and happy faces – plus yours!!

Wrap Around Club – Would this service help you?

Miss Granite has sent a questionnaire to you today asking if you would like your child/ren included in a renewed Wrap Around Club. Signed up children will go straight to Wrap Around following their class dismissal until they are collected.

Donation Sent to Downright Excellent!

Thank you to everyone who bought a pair of odd socks in aid of Down Syndrome Day – I know it was some time ago now!! We raised an amazing £312 and, following a great recommendation from the Caines family, a cheque for this amount has been sent to Downright Excellent! If you didn't manage to buy an odd pair of socks last time around, there are still adult and children sizes left. Please speak to Miss Rogers so she can show them to you.

PTA Donations and New Ideas for Fund Raising

We have received even more donations to the PTA – we are overwhelmed with your generosity; thank you!

The first fund raiser of the year will be called Pound the Playground. We are asking you to bring spare coins to attempt to have a continual line of money running around the playground. As children arrive, they will have a chance to put their coins around the edge. Each day's money will be collected and replaced with strong gaffer tape to show how far round we have got. Daily pictures will be sent to everyone to show our progress. **£1 and £2 cover the most space as do 50p coins but remember that 5p and 1p are really small!**

Pound the Playground starts on Monday!

The Plan is for Hot School Lunches to begin on Monday 28th September

We are still making plans and awaiting the final menus. When these arrive, I will send these to you for consideration. Parents of children with known allergies have completed forms sent to them which have been shared with Harrison's. If you feel your child has an allergy but you have not completed a form, please speak to Miss Simmons (admin@stsavioursprimary.co.uk)

Congratulations to all the First Communion and Confirmation candidates. We were all so very proud of you – well done. Miss Rogers is to be congratulated on preparing the children so wonderfully!

Stars of the Week

Nursery: Well done to all our new Nursery children – what a fantastic class you are becoming. I particularly enjoyed hearing about Lorenzo's encounter with Stretch Armstrong – what a recount!

Reception: Golden has had a fantastic week! He was so enthusiastic about writing independently! We are all so proud of what he's achieving and the example he is setting. Well done Golden, keep it up!

Year One: Harrie- Ella is our Star of the Week! She has tried very hard in every lesson. She has also been an excellent listener, setting a great example to her class mates. Keep up the good work!

Year Two: Well done Georgina for having an excellent week! You have impressed me with you fantastic number bonds and your superb letter writing. Thank you for always being so enthusiastic about your learning. You are a star!

Year Three: Lochie for always demonstrating a great attitude for learning. Not only are you always polite, you are also extremely well mannered!

Year Four: This week Ben has been an excellent role model to others. He has worked hard in all areas and writing in English was great! Well done Ben.

Year Five: Gabriel has had a brilliant week! He has confidently shared his great ideas, opinions and views during lessons. In English he has used some amazing vocabulary to describe events. Fantastic work!

Year Six: Marnie has had an amazing start to year six. Her use of descriptive language in her writing has been excellent

So, until next week, I wish you all a wonderful and restful weekend which will, hopefully, be really sunny!

With love and best wishes,

Miss Woodford
