Applicants who wish to be considered under Criterion 2, 3, 4, 5, 6 must provide documentary evidence of their worship on the school's Faith Leader's form and provide documentary evidence of the Baptism of their child (Criterion 2,3,4,or 5) by the application closing date. **Applications will not be accepted if these documents are not submitted at the same time as this form.**

Any applicant who is successful under Criterion 8 will be expected to provide formal proof of residency at the time of application.

An application for a child with a Statement of Educational Needs, or an Educational, Health and Care Plan (EHC Plan) which names the school will be considered provided the school can meet the needs of said child. This may well have an impact on the number of children who can be admitted through the School's Admission Criteria.

If a child has exceptional social, medical, pastoral or other need, compelling evidence from an appropriate professional would need to be provided.

In the case of casual admittance, if a place becomes available in the school, the Admissions Committee will review children waiting for a place in accordance with the above Criteria. If there are no children waiting, places will be allocated on a first come, first served basis
