

Newsletter 12 (2021-22)

December 3rd, 2021

Dear Parents,

One New Toy

Thank you so much to everyone who has sent in a toy for the **One New Toy** initiative. We donate these to The Salvation Army who distribute these to children across London. **You can send in New Toys until 10th December. Please use the form which was sent home last week to indicate clearly which age group it is most suitable for and whether it would be for a boy or girl or either. Please contact Miss Rogers if you need a new form.**

Don't forget that it is Christmas Jumper day on Wednesday!

PTA News

The **2021 Advent Raffle** started on Wednesday. It is drawn during a special Advent assembly each day and is for both adults and children. The tickets are still available on ParentMail and are £1 per strip. **Mrs. Hurst is organising this.**

100 Club – November Draw

The winners of November's 100 Club draw are:

1st prize: Mrs Millingen

2nd prize: Mrs Pereira

Congratulations! We will send you your cheques next week.

Christmas Photo Booth

Mrs Wellmann has once again unleashed her creative genius and produced a beautiful Christmas Photo Booth! We have started taking photos of the children and digital copies of these will be available to buy on ParentMail next week. More details to follow.

Messages from the Office

- **Absence:** please **TELEPHONE** the Office to report your child's absence by 8:30a.m. You can leave a message on the answerphone at any time. Please don't email the class teacher – the Office team will let the relevant staff know. The School telephone number is 0207 084 6772. If your child is ill for more than one day, you need to call **each day** to let us know that they will be absent.
- **Medical/dental appointments:** please complete a medical appointment form and hand in to the School Office. The form is available on the school website under the 'Parents' tab.
- **School Photographs:** it is not too late to order a copy of your child's school photo from Vancols. Go to <https://www.getphotos.co.uk/#/> and type in the photo code that was on the proof that was sent home with your child.

Stars of the Week

Nursery: Isaiah has had a fantastic week! He has been so excited to do all the different activities and has enjoyed playing with them with his friends with great enthusiasm. He follows all the class routines beautifully. This week in P.E., he did a super impressive forwards roll off a pile of mats- everyone thought it was amazing, especially Mr Lyons!

Reception: Congratulations Mimi! We have been so impressed with your enthusiasm for learning. You are a wonderful listener and are really excited about writing. You are very kind to others in your class. Keep up the wonderful effort!

Year One: Sayat – you are Star of the Week because you have been working independently and have achieved a lot by yourself. We are proud of your growing confidence.

Year Two: Congratulations Paul! We all enjoy watching how enthusiastic you are when playing Joseph. You are such a kind friend to everyone in the class and you are a pleasure to teach.

Year Three: Noa – you have had another amazing week! Your dedication and kindness doesn't go unnoticed. You always brighten up our day with your smile. Keep up the great work!

Year Four: This week's star of the week in Year 4 is Avery! She contributes and provides excellent answers during discussions and tries her hardest in each and every lesson.

Year Five: Mila Aleksic has had another wonderful week. She has continued to work hard and produce work that has been outstanding, particularly in Maths. Mila is also making valuable contributions during class discussion times, giving clear and well thought out responses to questions posed. Brilliant.

Year Six: Joe has had a super week. His maths has been amazing and we were also so impressed with his drawings for DT. Keep up the great work!

Buster's Weekend Friend

This week, Buster is going home with Bianca (Y1). This is because she has shown great enthusiasm in all lessons this week, especially in English. While learning about the difference between fiction and non-fiction books, she put her hand up to answer every question, even when she wasn't sure of the answer. She took risks with her learning and showed her love for learning. Well done Bianca!

Teacher Angel: This week, the children voted for Miss Hrsto. She is very kind and happy and is always smiling. Although she is quite new to the school, she has settled in very well to the St Saviour's community. The children in both her class and her after school club have said that she is a great teacher and makes her lessons and her Performing Arts club very fun and enjoyable. We are lucky to have her with us!

Performance in Trafalgar Square

Leon, Vasilis and Isobel (Year 6) were outstanding representatives of our school yesterday evening at the Trafalgar Square Christmas light switch on. The children read and performed absolutely beautifully, with such confidence and not a word wrong! The staff and poets from The Poetry Society all commented on how professional, polite and well-behaved the children were, and mentioned how pleased they would be to work alongside us for future projects. We were also able to meet with Sadiq Kahn and the Lord Mayor of Westminster. Thank you to all the children from Year Six who attended to support their peers. Miss Cornelius and Miss Weekes cannot be more proud of you all!

Please visit the school Instagram account to see a Live Performance from the evening, or visit the following link to watch a recording the children made earlier in the week: [The Fourth King by Sinéad Morrissey, performed by St Saviour's C of E Primary School - YouTube](#)

I would like to wish our families who are celebrating Hanukkah a very happy and blessed time.

With love and best wishes,

Miss Granite
