Dear Parents,

Cancellation of After School Club

One of the regrettable consequences of the COVID virus is that, on occasion, after school clubs need to be cancelled due to staff illness.

I understand completely if this is disappointing to your children and, indeed, yourselves. However, it is often not possible to ask another member of staff to cover for colleagues and so we need to cancel. We do our best to ensure this is done as soon as possible but, occasionally, it may well be on the day itself. I do hope you will understand our reasoning.

Football Successes!

Mr. Lyons, Miss Weekes and Coach Ned were delighted to escort our two football teams to Paddington Rec this week. They were so impressed with the way the children behaved and stuck at it throughout their numerous games. The Boys reached the final of their group and the girls reach the final. They played our nemesis, St. Joseph's, and conceded only one goal in the entire tournament. St. Joseph's defended their lead valiantly and should be congratulated. Our girls kept having shots on goal but.....

Thank you so much for everyone who played for our school. We are all so very proud of you! Here is a photograph of the Girls' team taken by Anna's mother. If anyone has a picture of the Boys' team, please pass it on!

The team were: Year Six: Amelie, Layan, Isabelle, Alice-Mae, Anna and Alice. Year Five: Tess, Abigail, and Sarya.

Applications for Nursery and Reception

Miss Simmons is welcoming applications for children whose parents wish them to be admitted to the Nursery and Reception classes from this September. Here are some details regarding closing dates:

Nursery 2022 Closing date: 7th February 2022

Please Start to Follow our Instagram Account – there are so many marvellous photographs showing what the children are doing in all classes! Thank you to Miss Hodgson for keeping us up to date! We are called [stsaavioursprimary](#)

A Message from Miss Simmons to Year Six Parents

Can you please check your ParentMail messages to pay for your child's residential trip to Sayers Croft as soon as possible?

After School Clubs News

There are still some places in the Football Training held on Monday after school. Please let the office or Mrs. Pearman (mpearman@stsavioursprimary.co.uk) know if your child is interested.

Stars of the Week

Nursery: Our Star of the Week is Christina! You are our Star of the Week because you have been playing so nicely with your friends. You also show such enthusiasm for all the activities in the Nursery!

Reception: Sen, you are our Star of the Week! This is because you listen so well and put fantastic efforts into your writing and Maths. We love reading your “silly sentences”. Keep up the wonderful work!

Year One: Our Star of the Week is Eve. She showed she was a great team player this week during all group tasks, especially during the hat guessing game in English. She used a range of question words when asking questions to figure out the hat her partner secretly chose. Well done Eve! Enjoy your weekend with Trevor the Sausage Dog!

Year Two: Sebastian is our Star of the Week! This is because you are such a keen learner and consistently work hard in all subjects. We enjoy teaching you enormously!

Year Three: Shoshi- You have had a great week, every day you have come to school eager to learn with a smile on your face. We are so impressed by your perseverance, you never give up even if you find a lesson tricky! Well done Shoshi.

Year Four: This week’s star of the week is Kleanthis! He works extremely hard and contributes very well in lessons especially in Science (*Note from Ms. Woodford: Kleanthis told me that he is keen to become a Nano Engineer when he grows up. Fascinating!*). He always provides excellent answers and his scientific knowledge is unparalleled! Keep up the hard work Kleanthis, we are very proud!

Year Five: Amyrah has had a brilliant week. She has produced some fantastic work, particularly in English on our new study text, Unspoken. Amyrah has a great sense of humour and she is always willing to participate during classroom discussion times, offering her perceptive ideas and thoughtful responses.

Year Six: Alice May has had a brilliant week. Not only was she an incredible goalkeeper at the girls football tournament, but her Maths work today was superb! She refused to give up until she had figured out the pattern in our division investigation. What a fantastic example of a growth mindset! Well done.

Buster’s Weekend Friend

Buster is going home this week with Aimar in Year Two. Aimar has only been a pupil at St. Saviour’s for a short time but fitted in straight away. He works extremely hard in all subjects and takes pride in ensuring their work is neat and presentable. He thoroughly enjoys participating in class discussions and is always first to raise his hand. Everyone enjoys being around him and this is reflected in how many friends he has made in such a short time. He is very kind, caring, thoughtful is a delight to teach. Wow!

You may recall, from last week, that I told of how excited Rebecca (Nursery) was to have received Buster. Today, she brought him back to school full of stories of what they had been up to (including eating vanilla ice-cream!). It was so heartwarming to see a child so enthusiastic about this award. Wonderful!

Teacher Angel: This week, the children decided to highlight Miss Rogers for the great work she does. They feel she is very supportive and helpful. She is always there if anyone needs help with anything and goes out of her way to help others. Not only does she help to cover in the playground but also helps in classes if cover or support is needed. Miss Rogers is also a great First Aider when someone is hurt!

Friday TryDay Today, the children “enjoyed” grapefruit. It would be fair to say that this is not everyone’s favourite fruit – definitely a Marmite moment! Those that did, really did and those who didn’t were very clear that they didn’t! Next week, Friday TryDay is going to have an International feel about it!

I hope you have a restful weekend and keep safe.

With love and best wishes, Ms. Woodford
