

Newsletter 18 (2021-22)

February 4th, 2022

Dear Parents,

Celebration of The Lunar New Year

We had so much fun this week celebrating the New Lunar Year of the Tiger on Tuesday. The children were served a delicious Chinese style meal and every class enjoyed lots of themed activities. Year One were very

lucky to have an “in-house” expert in the form of Miss Ng – please have a look at our Instagram account for more delightful pictures.

Look at this wonderful New Year Banner which Riley (Y1) created for Miss Ng!

Safety First!

Following on from my email message yesterday, children who are riding a scooter to school **must** wear a helmet. Failure to do so will mean that a child’s scooter will not be stored at school during the day.

Final Notice for Applications for Nursery

Please be aware that the closing date for Nursery applications is Monday 7th February.

Mind Zoom Meeting for Parents – Monday 7th February

We are really pleased that Sophia, our Mind Partner, will be holding a meeting for parents on Zoom next Monday. The subject of this will be Managing Anger and Tantrums. Here are the meeting details:

Topic: Managing anger and tantrums

Time: Feb 7, 2022 09:30 London

Join Zoom Meeting

<https://us02web.zoom.us/j/83026198081?pwd=N2NMSzZzZlIRVjR6K1M5NUh4TDBlcz09>

Meeting ID: 830 2619 8081

Passcode: 242006

If you would like to have 1:1 sessions with Sofia, you can now refer you yourself using the following link: <https://www.bwwmind.org.uk/local-mind-services-london/young-peoples-mental-health/mental-health-support-team/self-referral-form-under-13-years/>

Please Start to Follow our Instagram Account – there are so many marvellous photographs showing what the children are doing in all classes! Thank you to Miss Hodgson for keeping us up to date! We are called stsavioursprimary

After School Clubs News

There are still some places in the Football Training held on Monday after school. Please let the office or Mrs. Pearman (mpearman@stsavioursprimary.co.uk) know if your child is interested.

Stars of the Week

Nursery: Jacob has had a fantastic week in Nursery! He has been so excited about Maths Week and really got involved in learning about numbers! We have been so impressed by his concentration and how he has tried new things independently. He has shown great enthusiasm and we are all so impressed!!

Reception: Congratulations Ody, you are our Star of the Week! We are all impressed with your well you play with your friends and the huge efforts you have made with your writing this week. Keep up the great effort and your enthusiasm for learning.

Year One: Congratulations Noah, you are our Star of the Week! You have shown such enthusiasm for learning both inside and outside school. We loved the story you wrote about pirates as well as the stunning scroll you made about Lunar New Year. Well done – enjoy Trevor!

Year Two: Congratulations Ayla on being our Star of the Week! You have been working incredibly hard during Maths lessons. It is wonderful to see you grow!

Year Three: Luxi has had a fantastic week! She has worked so hard, particularly in the Maths Week activities! It makes us so proud to see how her confidence is growing day by day. Well done Luxi!

Year Four: This week's star of the Week is Bella she always behaves exceptionally well and contributes excellent answers in each and every lesson.

Year Five: Lucien has had a fantastic week. He has remained focussed in class and continued to make valuable contributions during classroom discussion times. He has also acted very maturely in taking on a new role in Year Five – Nursery Envoy – where he is responsible for helping Nursery children settle in to their class first thing each morning. Amazing job!

Year Six: Ema has had another super week. She has worked brilliantly during Maths Week and produced a wonderful design for the school playground, including accurate costs and measurements. Well done!

Buster's Weekend Friend

Buster is going home with Nika in Year Three. She is such a kind and friendly member of her class who is always happy to help and support everyone. She tries her very best all the time and gives everything a go – even if she finds it tricky! In the KS2 Times Table Challenge, she performed superbly every day – only getting one question wrong on the four days! Her smiling face is a joy to see every day.

Teacher Angel: This week, the children chose Miss Cornelius and she is always happy and smiling. She is very kind and understanding of her class. She is extremely helpful and able to provide the solution to any computer technical problems. The children agree she is a fun and amazing teacher who goes on course to impress her skills to help them with their learning.

Friday TryDay Today, the children enjoyed the delights of the Jamaican Bammy. The suggestion came from Golden in Year One as he enjoys them so much at Christmas with his family. Bammies are made from grated Cassava and formed into a round patty. When ready to cook, you dip them into either milk or water and then fry in butter/oil or bake in the oven. They were delicious – enjoyed by everyone but mostly KS2.

Here are some pictures of Golden and Arthur serving Bammies to Year One and Two.

This is what a Cassava looks like.

Cooked Bammy

Our brand of Bammy

I hope you have a restful weekend and keep safe.

With love and best wishes, Ms. Woodford
