

Newsletter 21 (2021-22)

March 11th, 2022

Dear Parents,

Supporting The People of Ukraine

Thank you to everyone who sent in supplies for people in Ukraine who are living under such terrible conditions at the moment. We have a HUGE array of goodies which will be collected by Danny Briottet (a St. Saviour's/St. Mary's Parishioner) to send to the Polish Community Centre. From there it will be sent to Ukraine.

We are still collecting so, if you would like to do so, please bring in your offerings on Monday.

Thank you also to your amazing generosity on our Ukrainian Dress Up Day on Monday. We raised an amazing £1134.50! This will be sent to the charity Choose Love shortly. (chooselove.org)

On Monday, children will be asked to write their thoughts and prayers for the Ukrainian people on a large banner which will be displayed on the front railings by Mr. Higgins. Thank you to him and Mrs. Spence for helping me to create this.

I have also attached a flyer for a Peace Disco to be held by DJ Crispin Dior – to help raise money for Ukraine. Thank you!

St. Saviour's Book Week

A great time was had by everyone this week – thank you to Mrs. Wilson for arranging all the book/reading activities. We loved them all. The poetry reading yesterday was fantastic as were the costumes the children wore today. Amazing ideas with great words!

A message from Mrs. Robson - Speech and Language Workshops for Parents

The Mainstream Schools SLT NHS Team, who provide the Speech and Language Therapy in school, are running 3 parent workshops this term. They are on the following topics:

- Speech sound difficulties
- Talking about feelings
- Story telling

These workshops are suitable for all parents of children, whether they are having speech and language therapy or not. We have attached the fliers that will give you information on the courses and how to book places on them.

A Message from Miss Hodgson and Mrs. De Perlaki

Year 4 have made some collaborative sculptural piece which aim to positively reaffirm humanity through the notion of peace and unity. Each individual part displays a child's emblem for peace cut from cardboard and decorated with acrylic in an ode to Ukrainian Folk artist, Maria Prymachenko. The coming together of the parts symbolises strength together; the pieces as one stand strong, balanced and harmonised. Sadly, a large amount of her work has been destroyed in the bombing of Ukraine.

Year Four's work has been submitted to The Fourth Plinth in Trafalgar Square Competition so fingers crossed we are judged favourably! If nothing else, the children were SUPER proud of their work!

As extra entries, we have also entered pieces from: Year 3 (a whole class piece currently displayed in the hall), the Nursery collaborative Triptych, and some individual works from Reception and Year 6 – in to the Royal Academy Exhibition. Hopefully a couple of pieces will be selected to be shown.... Fingers crossed]

A Message from The PTA – The School Cook Book

We are still in need of about 20 more recipes for what we will hope will be a bestselling St. Saviour's Cook Book! The entries are being opened to staff as well so please send something in! My dear Mum is contributing a family favourite: Peanut Butter Cookies

Please use this log on to submit your family favourite! <https://saronti.com/stsaviours>

Stars of the Week

Nursery: Maxim has really enjoyed all aspects of Book Week! We were all so impressed and proud of him for choosing to sing a nursery rhyme by himself. He showed great confidence! He is always happy in class and playing with his friends. Well done, Maxim!

Reception: Jack, you are our star of the week. We are so proud of your effort and progress with your drawing and writing – you always do excellent listening and are a great example for your friends.

Year One: Eleonore – congratulations, you are Star of the Week. We were very impressed by your thoughtful and profound answers that you gave throughout the week. We loved how observant you were during lessons over the past three week and your ideas for your writing were really imaginative.

Year Two: Congratulations, Jeremiah on being Year Two's Star of the Week.. You have been working extra hard in all your lessons this week. Especially in Maths! We are very proud of how hard you have been trying!

Year Three: Noa – what another fantastic week! Your attitude to learning continues to impress us all. We were particularly impressed with how excited and confident when performing our poem. Well done, we are so very proud!

Year Four: This week's star of the week is Lochie! He always tries exceptionally well in each and every lesson. Today is his last day and it has been an absolute pleasure having him in the school and as a member of our class. We will all miss him very much, well done and good luck in the future Lochie!

Year Five: Hubie has settled in extremely well since joining Year 5 and St. Saviour's a few weeks ago. Hubie has made many friends and he has shown himself to be polite, kind, caring and considerate. In Year 5, we really appreciate the contributions that he makes during classroom discussion times. Brilliant!

Year Six: Dina – congratulations you are an absolute Super Star. You have been so enthusiastic on all our recent trips and incredibly well behaved. You are always so positive in class and all your teachers love seeing you every day – you make us laugh and bring joy into the class.

Buster's Weekend Friend

Ms. Woodford's Special Edition: Buster's Weekend Friend is Izzy in Year Four! She is someone who always tries her best and works extremely hard in each and every lesson. She provides some excellent and well thought out answers especially in RE. She is kind, helpful and is an example to us all!

Friday TryDay: This week, we were guided by Ema in Year Six who suggested natural **honeycomb** as our Friday TryDay treat today. Most children enjoyed this and were even "waxing lyrical" about the honeycomb structure (made of wax!). Most loved the honey and some decided to put this wax in the bin – although some ate it! I ordered this particular honeycomb was created by Bulgarian bees.

I hope you have a restful weekend and keep safe.

With love and best wishes,

Ms. Woodford
