Dear Parents,

Big Thank You!

Thank you to everyone who contributed to our Ukrainian Appeal. We have so many parcel of love to send across the miles to support Ukrainians in this tragic situation. You have shown typical St. Saviour's kindness to this request – it fills my heart!

A Message from Mrs. Spence - The Big Walk and Wheel

From 21 March to 1 April we will be taking part in the Sustrans Big Walk and Wheel. Schools throughout the UK will be participating in this initiative to travel to school in a sustainable and active way, such as walking, scootering or cycling. Throughout the two weeks we will be doing activities to promote active and sustainable travel as well as recording how the children come to school. Please note: there is no storage at school for bicycles.

Some of the activities we will be doing are:

- **Golden Lock:** on a few surprise days during the two weeks a golden lock will appear on a scooter. The owner of this scooter will give back the golden lock in exchange for a special prize!
- **Mindfulness Walk:** For anyone who walks to school, we would encourage you to do a mindfulness walk on your way into school one morning. See the attached flyer for more information.
- **Travel Poster Competition:** At home, children can create a poster demonstrating and encouraging others to travel to school by an active or sustainable method. A winner will be selected from the entries and will win a special prize. In order for your child to be eligible for the prize they must submit their poster to Mrs Spence by Monday 28th March.
- **Class Competition:** The class that travels to school the most, percentage wise, by foot, cycle or scooter to school during the two weeks will receive a lovely trophy that they can display and feel proud of for the year!

Please don't forget The School Cook Book!

We are still in need of about 20 more recipes for what we will hope will be a bestselling St. Saviour's Cook Book! The entries are being opened to staff as well so please send something in! My dear Mum is contributing a family favourite: Peanut Butter Cookies

Please use this log on to submit your family favourite! <https://saronti.com/stsviours>

Great Service Offered in WrapAround

We are so pleased to be able to offer parents after school care in our WrapAround Club. There are different options available to suit each family but we are finding that the times booked are not always kept to by parents collecting their children.

From next week, if parents persistently collect their children later than expected, we will have to consider charging you extra for the additional time we have had to care for your children. There are always one of occasions when punctuality is a problem but it is when collection is late every day that we need to consider extra charges.

There will be a Second Hand Uniform Sale next Wednesday 23rd April from 8:45 in the hall. Thank you to Miss Wellman for organising this!

Please remember there will be no Teacher Run After School Clubs during the last week before Easter – That means from Monday 28th March. Football will take place as normal but there will no Judo.

Buster's Weekend Friend

Buster's Weekend Friend is Golden in Year One! This is because he is such a great listener and thinker. He always gives his full attention to the person who is talking and given them his full attention. Whenever Golden puts his hand up, he has something thoughtful and profound to say. We are extremely pleased with how Golden has become a more confident writer and how much of a joy it has been to watch him grow over the last six month. Well done indeed!

Teacher Angel: The children have chosen Mrs. Wilson as their Teacher Angel for this week. This is because she is so organized and helps all classes with their reading and phonics. She always makes sure that each class has the reading resources they need. She is a fun and loving teacher and Nursery love having her as their teacher.

Friday TryDay: This week, we were guided by Georgia in Year Four who suggested the amazing Australian biscuits Tim Tams as our Friday TryDay treat today. I didn't think this was going to be a good idea as they are so expensive here but my very dear friend, Pip Worrell was in Sydney last week and I did bend her arm considerably to bring some back for me – and she did! Everyone loved them and asked where they could buy them.

I hope you have a restful weekend and keep safe. With love and best wishes, Ms. Woodford xx
