

Newsletter 24 (2021-22)

April 1st, 2022

Dear Parents,

The Easter Service, on Thursday, was very moving. It was also the first time the whole school had been to church together for over two years! We were accompanied by the Year Five and Year Six Ukulele group, Ben from Year Five on the piano, readings from Year Six, a poem from Abigail in Year Five and prayers from Austin, Adele (Y5) and Sophia (Y6). Father Andrew led us in prayer and gave us a blessing for Easter. Thank you also to Mrs. Spence and Miss Hodgson for organising the service and to all the parents who joined us.

Big Thank You For Supporting Ukraine x Two!

Many thanks to everyone who supported the Peace concert last Saturday organised by Alice May and Paige's parents. It was a great success and well over £8,000 was raised – so everyone is delighted!

Such Amazing Good News About the Fourth Plinth Competition

You may remember I told you that Miss Hodgson had entered Year Four's sculpture into the competition to find a potential piece of artwork for the empty Fourth Plinth in Trafalgar Square. Well, they have only gone and won a prize!! We are not sure what this is yet but what an honour. You can view all the submissions in this gallery – The Year 4 entry is on Page 6 of the gallery – by following this link:

A Message from Mrs. Spence - The Big Walk and Wheel

Well done to Bradley in Year Two for winning the Golden Lock this week – he was so surprised!

Message from the PTA Committee: There will be a second-hand uniform sale on Weds 20th April from 8:45 – 9:30

Stars of the Week

Nursery: Cosette has had an amazing week! We were all so impressed with her on our trip as she was really kind and caring to her friends, making sure everyone felt happy and included. She is so polite, and always brings such enthusiasm to the class. Well done Cosette, we are so proud of you!

Reception: Congratulations, Yuki! You are Reception's Star of the Week! We are so proud of your efforts in all classrooms activities – every day!. You have also been producing some wonderful writing as well. Keep up this amazing effort!

Year One: Alexander – well done indeed, you are our Star of the Week. You have shown great progress this term and we are very impress with how carefully you listen to both teachers and your friends. You were so very sensible on our trip to the zoo and we love how you remembers so many facts about the animals from our Science lessons.

Year Two: Jonathan, you are our Star of the Week! You are a very motivated and independent learner in all the subjects. Well done!

Year Three: Emma E- You have had a fantastic week! Your helpful nature and kind heart does not go unnoticed. Throughout the week, we have noticed how happy you are to help your classmates with their learning. Well done Emma!

Year Four: Cassius, you are our Star of the Week! You consistently display a very positive attitude towards your learning and well done for asking if you need help!

Year Five: Salome has had another wonderful week. You have continued to work hard and make good progress in all areas of the curriculum. Also, during classroom discussion times you have been willing to share your interesting and thoughtful ideas with your peers. Fantastic!

Year Six: Edoardo has had a brilliant week. He is always so positive, kind and helpful. His diary entries this week in History (describing life before and after VE Day) were brilliant! Well done.

Teacher Angel

This week's Teacher Angel is Mrs. Vasiliou. This is because she is kind, friendly, helpful and extremely caring towards both children and members of staff. She is also very creative and designs such amazing displays of work for the Nursery. The children enjoy really wonderful activities which help them to both develop and have lots of fun!

Buster's Weekend Friend

#1 (Please remember it is April Fool's Day – a prank told by the teachers!): This person is someone who is always late and never has what they need for school. They are rude, never do their homework and throw food at other people at lunch time. They scribble on their work, shouts at teachers and other children and kick younger children – April Fool!

#2 Buster's Real Weekend Friend is Irida in the Nursery. She is a shining example of a St. Saviour's child. She comes to school beaming every day! She is kind, caring and such fun to play with. We are so proud of her for all she does. Well done indeed!

Friday TryDay: This week, we tried Tunnock's Caramel Wafers. As you would imagine, they were enjoyed enormously. They can be bought in most major supermarkets and look like this:

I hope you have a restful weekend, a Happy Easter and keep safe.

With love and best wishes, Ms. Woodford xx
