

Newsletter 25 (2021-22)

April 22nd, 2022

Dear Parents,

World Earth Day

Today is World Earth Day and it was a privilege to listen to how much the children understand the idea of protecting our planet. Ask them about the Fatberg!!

A Message from Mrs. Spence - The Big Walk and Wheel

“The Big Walk and Wheel to school project has now come to an end. I am delighted to announce that one class had an average score of 79% of children using either a bike or scooter or their own legs to arrive at school. **That class is Year One!**”

Well done indeed for being so super healthy and joining in the fun! Year One have been awarded with a special trophy which is now in their room.”

The Book is visiting next week – please look out for a message from Miss Granite!

A Message from Mrs. Robson

Speech and Language Parent Workshop – it’s really useful!

The Bi-borough Speech and Language Therapy Service are running a workshop for parents on Speech Sounds for children in Nursery, Reception and Year One. It is open to all parents in Westminster and Kensington & Chelsea. I have attached the flier with information about the course and how to book a place on it.

If you have any question, you can speak to Mrs Robson. Her email is cobrien@stsavioursprimary.co.uk.

PTA News – The 100 Club Draw

Congratulations to: Mrs. Callaghan (Rosie Year 1) for winning £120 and to Mrs. Comer (Alice May Y6 and Paige Y4) for winning £72. Cheques will be sent out next week!

Stars of the Week

Nursery: The Nursery Star of the Week this week is Teddy! You are always so cheerful and so enthusiastic about everything we do in school 😊. We really loved watching you dance with your scarf in today’s dance lesson. You are such a kind and fun member of our class. Well done, Teddy!

Reception: Sienna, you are the Star of the Week! We are so proud of how well you have been listening and putting forth your best efforts in all lessons but especially in Maths and Phonics.

Year One: Nathan – What a star you are! This is because you have worked so hard this week and put lots of effort into your work and handwriting. We were so pleased to notice that you worked so independently this week. Well done!

Year Two: Congratulations, Dimitri, you are our Star of the Week! We have been very impressed with how dedicated you are to your learning. It is wonderful to see how much you have improved in all your subjects. Well done, indeed!

Year Three: Stefanos, you are our Star of the Week! You are always smiling and the most helpful of children. You have made a great start to the new term – keep up the fantastic work!

Year Four: Avery – you are a lovely member of our class. A great helper to adults and peers as well as always smiling! You listen beautifully and always try your best in everything!

Year Five: Mila has had a brilliant return to School after the Easter break. She has been fully committed to her work and she has been very responsive in class during discussion times, offering some very perceptive and accurate answers to questions poised. Fantastic !

Year Six: Isobel has had another fantastic week. She is always so kind, caring, thoughtful and polite to everybody. Thank you for always being so wonderful! Well done!

Ms Woodford's Special Delivery: My award is for Emma Ekblom who showed great courage and fortitude at the Zoo yesterday following an accidental fall. Despite needing to go to the dentist today, she insisted on coming into school – what a star!

Teacher Angel

This week's Teacher Angel is Mr. Higgins. The children voted for him because he is very supportive and extremely helpful. He makes sure everyone is safe as well as keeping the school up and running. Mr. Higgins often gives up his free time to make sure all the flood repair building work runs smoothly. He has been key to creating the new basement lavatories. They are sooooooo smart!

Buster's Weekend Friend

Buster's Weekend Friend is Layan in Year Six. Her teachers have been so proud of the way she always tries her best and approaches new challenges – especially during Maths lessons. Layan is calm, responsible and sets an excellent example to everyone. **Ms. Woodford says: "I have rarely seen anyone so surprised to be awarded Buster! This shows how wonderful Layan is because she wasn't expecting such lovely things to be said about her. She is marvelous!"**

Friday TryDay: This week, we tried fresh and dried figs. There was a mixed reaction (not surprising!) with the majority of children enjoying both types of fig whilst others decided they liked one version over the other. The only rule for Friday TryDay is that you cannot say you don't like it until you have tried it!

I hope you have a restful weekend, a Happy Easter and keep safe.

With love and best wishes, Ms. Woodford xx
