

Newsletter 29 (2021-22)

May 27th, 2022

Dear Parents,

Queen's Jubilee Day of Celebration and Fun – what a great day!

A huge thank you to Miss Granite and our amazing staff team for putting on such a great Platinum Jubilee Celebration on Wednesday. The children (and adults!) had such fun all day with lots of exciting activities across the school. It certainly wasn't a "normal" school day. Here are some quotes:

"It was the best day ever!" Jeremiah Year 2

"I loved making the Jubilee biscuits!" Everyone!

For me, the best part of the day was seeing so many parents in the playground enjoying the singing and dancing with us. It has been far too long since this has happened and it brought us all such joy to see you. Thank you for the many very positive comments from you – they mean everything to us.

The PTA Auction – We need your lots!

A message from Mrs. Toptsis from the PTA:

"We need lots of Lots! Tickets, bottles, cosmetics, home-cooked meals, Saturday afternoon playdates.....as well as good quality/new toys & games for the Children's Auction.

Details should be emailed ASAP to schoolauction@btinternet.com, including images.

A collection point in school will be available after half-term to drop off items. Any questions about the suitability of a Lot, ask your Class Rep or email the Auction Team at the above email.

Please look out for the separate ParentMail message about the Auction coming your way today!

The PTA St. Saviour's Cookbook – it's ready for printing

A message for Mrs. Anne Watson, editor in chief

"We have good news about our very first St Saviour's cookbook. The finishing touches are being finalised at the printers and you will be able to order your copy (or copies) on ParentMail from next week. They will be £10 each – so please do get in early! Ordering early will also help us secure the right numbers, at the right price, from the printer. I can't wait to get my copy and try out all your lovely recipes!"

Stars of the Week – May 27th

Nursery: Congratulations, Angelina! You are the Nursery Star of the Week because we have been so impressed with you at school. You have played beautifully with your friends in Nursery and Year Five and been so proud of yourself when you have eaten all of your lunch! Well done, Angelina!

Reception: Congratulations Pablo, you are Reception's Star of the Week! We have been so impressed with your enthusiasm for learning and coming to school. You always give everything a go and are a great friend to everyone. Well done!

Year One: Well done Emma for being our Stand out Star! We love home much effort you put into your version of Beegu's story. You worked diligently throughout the lesson and produced an excellent and tidy piece of work. Well done and enjoy Trevor for the half term.

Year Two: Congratulations Paul on being our Star of the Week! You bring such a happy and positive energy to the class and always walk in with a big smile on your face. Everyone enjoys being around you! Well done indeed.

Year Three: Congratulations Stefanos, you have had **another** fantastic week. You are always so helpful to both teachers and the children. You are such a valued member of our class!

Year Four: This week's star of the week is Imogen. You always provides a positive contribution during lessons and has an excellent attitude to learning! Well done Imogen, keep up the hard work!

Year Five: Alba has had another amazing week. Alba is always very conscientious, producing work of a high standard, particularly in English where her writing is exemplary. Alba is also kind, caring, polite and a great 'team player' in Year 5. Brilliant!

Year Six: Nathan has had a very good week. He was incredibly sensible on our recent trip to the Zoo and his work today in RE was fantastic! Well done.

Teacher Angel

This week's Teacher Angel is Miss Granite. The children chose her because she is very hard working and super organized. She helps out around the school and works in Reception every week. She has been amazing this week organizing everything for the Queen's Jubilee party and made such everything worked out and went to plan. Everyone had such a great time and said how much fun they had!

Buster's Weekend Friends

Amelie (Year Six) is taking Buster home for half term. This is because she is consistently kind, polite and positive. She is always beaming when she enters the classroom and brings joy to her teachers and friends. She is calm and well-behaved and was a fantastic role model for St. Saviour's on our trip to London Zoo.

Friday TryDay: This week, we tried a treat fit for a Queen or King with Meringue, whipped cream and strawberries. Delicious!

School will be closed next week for half term and will reopen on **Tuesday 7th June** at the normal time.

I hope you have a restful weekend and sunny weekend!

With love and best wishes, Ms. Woodford xx
