

## St. Saviour's CE Primary School PE and Sport Funding Report

### Our Vision

We were delighted to hear the Government was to provide additional funds to ensure access to high quality PE for all children at St. Saviour's School.

### What is the P.E. and Sport Funding?

The P.E. and Sport funding is an amount of money allocated to schools, over and above the normal school budget to improve physical education and sport. Headteachers, with the oversight of Governing Bodies, are responsible for spending this funding with the sole purpose of promoting PE and Sport. The Governors agree that the money must be used so that:

- All children benefit regardless of sporting ability
- That the most able children are given the opportunity to compete in advanced tournaments
- That the staff have access to training opportunities and continued professional development

Since September 2013, OFSTED inspection teams have reported on P.E. and Sport provision, including how schools spend their funding. Additionally, since April 2014, schools have been required to publish, on their websites, details of how they spend these extra funds. Schools must also include information about the impact of this funding has had on pupils' participation in P.E. and Sport as well as their attainment.

### How the Additional PE and Sport Funding is calculated

The amount of additional money allocated to St. Saviour's Schools this year will be £16,000 + £10 top-up per pupil. Therefore, this equals £16,230 for 2017-18.

At St. Saviour's, we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have a number of existing after school clubs that offer a variety of sporting opportunities. We enter numerous inter-school sport competitions to allow children to be competitive and are constantly seeking to develop our PE and Sport programme.

### Local Authority Arranged Competitions The School Is Involved In:

September	Year 5/6 Tag Ruby (WSU)
October	Year 3 – 6 Cross Country Championships (WSU & Serpentine)
November	QPR U11 Football Tournament QPR KS1 Football Tournament
January	Friendly Football match v Barrow Hill
February	Year 3 and 4 Participation Football Festival
March	Regent's Park Hub Football Cup Year 5/6 Mixed Mini Basketball Tournament
June	Y4 Spirit of Cricket at Lords
May	3B Football Y3 and 4 Five a Side Football Year 5 and 6 Boys Kwik Cricket
June	Year Two Multi Skills Quad Kids Athletics KS2
July	Year 6 Football Friendly Mini Tournament – Barrow Hill and St Joseph's Year One Multi Skills

## St. Saviour's P.E. and Sport Funding IMPACT of Spend for 2016-17

From the allocated 2016-17 budget of £8900, the school used the money in the following ways:

<b>What we did</b>	<b>Impact</b>
Funding a specialist Sports Coach for 2 days per week.	<p>Every child in school received at least 2 hours of quality PE a week with additional provision provided by class teachers or through Swimming (Year 4), Cycle Training (Year 5) and Horse Riding (Year 6). One of the hours of PE was with half of the class and this rotated weekly.</p> <p>Increase the skills level of staff in the delivery of quality P.E. teaching with the qualified sports coach working alongside staff to deliver lessons and support planning. All TAs work alongside the Sports Coach to develop their own skills and support the children.</p> <p>Continued to embed the new curriculum guidance. 100% state that they are safe and happy in school In our latest children's questionnaires, 100% stated that they are safe and happy in school.</p>
Pay for 1 hour administrative support per week to assist engagement in outside school activities.	This staff member was able to organise letters and kit for competitions across school. This will continue in 2017-18.
Buy exciting and stimulating PE resources to facilitate the teaching of PE	<p>Allowed for more sports to be taught for example athletic field events, basketball, hockey and tri-golf – linking to the Schools Games organised by Westminster Sports Unit.</p> <p>Some equipment was used at playtimes which allowed us to further develop provision at playtimes and lunchtimes whilst continuing to make sure the environment was safe.</p>
Increase the participation of sport and PE by offering free after school sports coaching for FSM/Ever 6 children.	<p>Popularity of clubs increased. 70 children participated in sports clubs over the year from Year 1 (20 children) upwards in All Sports, Football Training (Year 3 and 4 = 35 children), Football Squad (Year 5 and 6 = 15 children) and Girl Friday (Autumn Term only).</p> <p>Parents were supportive that their child could take part in these clubs. Parents apply for their child to have a space in these clubs very quickly and most are oversubscribed, so we have to create a waiting list. The children are very pleased when they find out their place allocation for clubs.</p>
Provide opportunities for children to compete	<p>We actively took part in many competitions and tournaments organised by WCC and those run both other bodies and organisations such as QPR Football Club.</p> <p>The children took part in the following competitions organised by WCC: Cross County (Years 3 – 6), Boys and Girls Football (Years 5 – 6), Mini Basketball (Years 4 -6), Multi Skills (Years 1 and 2).</p> <p>We also attended two events organised by QPR: Kids Cup event for Year 6 Boys in November 2016 and a 3M Challenge Cup 5 a-side Football Tournament for Years 3 – 6 in the Summer term 2017.</p>

	<p>The football team took part in friendlies and tournaments with other local schools: Barrow Hill and St Joseph's.</p> <p>Children from across KS2 were selected to be part of the events, raising their confidence in their abilities for different sports. Approximately 50% of children from KS2 will have taken part in a sports competition.</p>
<p>Signpost children to outside clubs and coaches who provide quality sport especially those in receipt of PP and Ever Six.</p>	<p>During 2016-17, 2 children were signposted to a Running club and a group of 4 children were selected for G&amp;T coaching led by Westminster Sports Unit.</p> <p>We ensure that those children who are in receipt of Ever 6 money have their clubs paid for.</p>
<p>Continue the practise of offering weekly swimming lessons to Year Four, Cycle Training for Year Five and horse riding lessons for Year Six.</p>	<p>This continued from 2015-16.</p> <p>Swimming: All children in Year 4 who went swimming achieved the required expectations.</p> <p>The school paid for the Insurance for all of Year 6 (x29 children) six of whom were Pupil Premium for their Horse Riding lessons (£580).</p> <p>We used some funds to buy spare kits and 'cheap' bikes from websites such as Gumtree for PP children to take part.</p> <p>Children in these classes had access to sports they may not otherwise experience to broaden their PE skills.</p>

## How we will use the PE and Sport Funding in our school (2017-18):

Advice from gov.uk on how to spend our allocation	What we will do at St. Saviour's	Cost
<p>The engagement of all pupils in regular physical activity - <i>the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school</i></p>	<ol style="list-style-type: none"> <li><b>1. Encourage 'Active Playgrounds' on a daily basis through various activities:</b> Daily Mile completed by classes in KS2 every week 'Wake and Shake' up to twice a week 'Move and Dance' at least twice a week across KS1 and KS2 Playground Purchase portable speakers to provide for these activities</li> <li><b>2. Purchase in-classroom resources to promote 'Active Classrooms'</b> 5 a day resources (inside activities via Interactive Whiteboard) <a href="http://5-a-day.tv/">http://5-a-day.tv/</a> Go Noodle (Movement and Mindfulness) <a href="https://www.gonoodle.com">https://www.gonoodle.com</a></li> <li><b>3. Purchase additional equipment</b> for children to use during playtimes such as Circus equipment</li> <li><b>4. Bikeability Training</b> Ensure that all children in Year 5 are offered the opportunity to take part in the Level 1 and 2 Bikeability training.</li> <li><b>5. Spare PE Kit</b> Ensure we have spare PE kit in school for all year groups to enable children to take part in lessons if they forget it.</li> <li><b>6. Scooters and Bike Storage</b> Investigate further into more storage options for Bikes and Scooters, including staff.</li> </ol>	
	<b>Subtotal</b>	£ 2276
<p>The profile of PE and sport is raised across the school as a tool for whole-school improvement</p>	<ol style="list-style-type: none"> <li><b>1. School Games Award</b> Continue to build on the success of last year with support from Westminster Sports Unit. Last year we achieved Silver Level.</li> <li><b>2. Trial of Athletics system</b> Introduce an Athletics programme which is being created by members of staff from Paddington Rec. Mr Michael is using this in his inclusion groups.</li> <li><b>3. PE Reps across school</b> Every class to have two PE reps who meet with Mr Michael and Miss Patterson at least once a term to discuss PE matters.</li> <li><b>4. TA CPD on playground games</b> Look into providing additional CPD for TAs and Support staff to encourage 'active playtimes.'</li> <li><b>5. Wellbeing and Mindfulness</b> Linked to one of our School Development Plan targets, we aim to encourage children to follow a more mindful approach to their lives and wellbeing.</li> <li><b>6. Swimming</b> Ensure we report who from Year 6 is able to swim competently, confidently and proficiently over at least 25m, use a range of strokes effectively and perform safe self-rescue in different water based solutions</li> <li><b>7. Membership to the Youth Sports Trust (Level 2)</b></li> </ol>	

	Purchase membership to enable us to use the Self-Review checklists and tools to further develop PE across the whole school.	
	<b>Subtotal</b>	£1934
Increased confidence, knowledge and skills of all staff in teaching PE and sport	<p><b>1. Coach Michael</b> Support the CPD development of Mr Michael in areas of the curriculum which he is less confident in teaching.</p> <p><b>2. Curriculum Scheme of Work</b> Investigate different options for purchasing a new PE scheme of work which ties in with the new Curriculum and is accessible to all staff to follow.</p> <p><b>3. Gymnastics and dance CPD</b> Buy in support to lead CPD for staff for gymnastics and dance. Look at any cross curricular links which can be made to teach these areas of the PE curriculum.</p> <p><b>4. Gym mats</b> Purchase new Gym mats for the children to use for during gymnastics lessons.</p> <p><b>5. Westminster Sports Unit coaches</b> Continue to develop our offer of PE expertise by offering opportunities for coaches from the WSU to lead groups or clubs in school (after appropriate training and checks).</p>	
	<b>Subtotal</b>	£5550
Broader experience of a range of sports and activities offered to all pupils	<p><b>1. After school clubs</b> <b>Hockey club</b> is now being offered after school for children in Years 4, 5 and 6. To support the development of this club, new equipment such as hockey sticks, balls and shin pads will be purchased. <b>Judo club</b> is also proving very popular. We will research the possibility of purchasing our own mats for this and look to continue providing this club with a possibly subsidy for parents. <b>Tennis club</b> – to be investigated</p> <p><b>2. Links with local Sports Clubs</b> Develop links with local sports clubs, such as Hampstead and Westminster Hockey Club who are currently offering a free club for up to 20 of our children on Thursdays between 5-6pm.</p> <p><b>3. Additional bike activities for EYFS and KS1 (Balanceability)</b> In addition to the Cycling training which Year 5 take part in, purchase more small bikes and liaise with Westminster Bike It Crew about sessions for children in EYFS and KS1. Then, investigate the purchase of Balance bikes for EYFS.</p> <p><b>4. Dance Lessons for All</b> Pay for a qualified dance teacher to teach every class for a given amount of time over the school year, for example a 6 week block. The same also applies for other sports such as Tennis or Rugby.</p> <p><b>5. Holiday sports clubs</b> Investigate the options to offer children place son Holiday clubs or use the school's facilities to run a sports club during Easter and Half Term holidays.</p> <p><b>6. Sports Leadership Opportunities</b> Investigate Sports Leadership awards for children in Year 5/6 to take part in.</p> <p><b>7. Circus Skills Workshop</b> Children to learn about physical activities in the Circus and how they can practice some of these themselves.</p>	

	<b>Subtotal</b>	£5350
Increased participation in competitive sport	<p><b>1. Westminster Sports Events</b> Continue to regularly and competitively take part in Westminster Sports Unit events which are timetabled throughout the whole year entering tams from a mixture of year groups. Additional time(adults time) needed to take children to on average 15 competitions over the year x2 adults and extras</p> <p><b>2. New kit</b> Purchase a new sports kit for children to wear when attending Westminster Sports events. A football kit and 'general' sports kit (for example hockey, tennis, netball) to be purchase in liaison with the PE Reps/School Council. Children are able to keep this kit if they represent the school. Investigate the possibility of having 'team' T-shirts as part of our school uniform.</p> <p><b>3. Organise events with other schools</b> Following Westminster or other locally organised events, liaise with other schools to host or organise other events. For example a hockey afternoon will take place with Eaton Square in March 2018.</p> <p><b>4. Sports Day</b> Continue to organise a competitive sports day where all children are able to participate in all events.</p> <p><b>5. Intra school competitions within teams</b> With the help of PE Reps, hold more intra-school competitions between teams – Saturn, Mars, Earth and Mercury.</p> <p><b>6. Purchasing of trophies, medals and certificates</b> Children work towards receiving different rewards throughout the year within their classes for different lessons or events.</p>	
	<b>Subtotal</b>	£2500
	<b>Grand Total</b>	£18,110

### Year 6 2017-18 Swimming Information (30 children)

Number who can swim competently (25 m)	28
Number who can swim confidently (25 m)	23
Number who can swim proficiently over at least 25m	23
How many can use a range of strokes effectively	23
How many perform safe self-rescue in different water based solutions	10

**6 children attend swimming lessons outside of school.**
