10. Children living closest to the school (Shirland Road entrance) as measured by the Local Education Authority.
Where the order of priority is otherwise equal, preference will be given to a child who lives the shortest distance from the school. Home address is defined as the address at which the child resides for 50% or more of the school week. Distances are measured by a straight line from the address seed point (determined by Ordnance Survey data) of the child's home address to the main school gate for pupils, as measured by the Local Authority's computerised measuring systems. Where it is necessary to differentiate between applicants living in flats using the same street entrance, priority will be given to applicant(s) living closest to the ground floor and then by ascending flat number order

In the event of oversubscription, priority for a place in the Reception class will be given to children already in our Nursery class provided all the worship criteria have been fulfilled and they have been attending for at least 2 years. (See criteria 2). The majority of children in the Nursery class are within categories 1-5 and are regular churchgoers.

Please note that "regular frequent worship" signifies at least three Sundays in every month and for at least two years, before application to Reception. As a further tie-break where there are more applicants of equal merit than places available in the Reception class the governors will allocate places to those living nearest the School as measured by the Local Authority.

It should be noted that the Local Authority can direct the school to admit a child (or children) who have a statement of educational needs; if and when this occurs it affects the number of children who can be admitted by the school's admission criteria.

Applicants who wish to be considered under categories 1,2,3,4 or 6 must provide documentary evidence of their worship on the schools clergy/faith form and provide documentary evidence of the Baptism of their child by the application closing date.

Any applicant who is successful under criteria 10 will be expected to provide formal proof of residency within 14 days of the offer of a place being made or the offer will be withdrawn.
